

Rolly R. Hiscott

July 9, 1933 - January 11, 2015

ROLLY R. HISCOTT, AGE 81

And a resident of the Bonner Creek Community died at 4:10 am Sunday January 11, 2015 at his home. He was a native of Watertown, New York that lived in California for many years and also Washington and Florida but had moved to Washington Parish recently. He was a U.S. Air Force veteran of the Korean War Era and attended Bonner Creek Baptist Church. Rolly was a brilliant machinist that could invent or develop many different things and was the owner/operator of Hiscott Components. He was a talented musician that played lead guitar and steel guitar and even invented a component for the Ernie Ball steel guitar. Rolly enjoyed flying powerful remote-control airplanes and even developed the Hiscott Throttle/Muffler control for model airplanes. He will be greatly missed by all who loved his wonderful sense of humor which could entertain at home, work or play.

“ It's been 3 years since you left my darling. we are still missing you. My life is not what it used to be without your smiles and you wonderful love of life that filled us all every day. we will see you again one day. Today you would be 85 years old, I miss my husband so very much. I miss your guitar playing that was so great. I haven't played since you left and have not desire to join the entertainment world, you are not there and it isn't the same. You are my heart, my soul belongs to God and I will be there with he takes me. I love you so dearly my love.

“ Rolly was my Father. A boy couldn't have asked for a better father. He was dad, a best friend and someone to believe in. In my 49 years with him he never let me down...not once!

“ As Rolly's pastor, I never visited him that he wasn't smiling. He and Mrs. Vicki lived with their daughter and son-in-law and when I would visit there was always food and family fun happening. Rolly loved his family and enjoyed making memories with them. He will be missed by all who knew him; but though he is gone from our presence, he will never be gone from our hearts; and he is now in Heaven enjoying a new body that is whole and complete and awaiting a reunion with all of his family and friends in the future. My heart goes out to the family who is grieving at this time. When someone passes from our presence, we become selfish many times and want them back. This is normal, but we must remember that if we know the Lord as our Savior, we will see our loved one again. So, my prayer for this family is that each one find Christ as their personal Lord and Savior so that they will see Roll again in the future.
