“ How do I put in words what you meant to me? You are family to me and I'm so heartbroken at the thought of never being able to see you again. I'm THANKFUL for the opportunity I had in seeing you not long ago and I'm GRATEFUL that God gave me the opportunity to be in your life in the capacity that I was. You were never just a father to a family that I knew.....you were MY father in a family that became mine. You will NEVER EVER be forgotten by me. I love you dearly!!!! PS... Find a good fishing spot for when we meet again..... I'll bring the sandwiches....mayo optional!!!

“Pawpaw, you surely made an impact on my life. You were the one who always said, "no matter how much you hate math, you use it every single day of your life." Which today I still hate math but your right. Goodbyes aren't the end, they simply mean I'll miss you until we meet again. You will always be in my heart. Stay watching over me my guardian angel. I love and miss you.
On side of you is flowers of each of your grandchildren birth stone color. I hope you like it.

“Dad, now that I'm older, I have a better idea of everything you did for me when I was growing up. You worked so hard to make sure I was happy and healthy and had everything I needed... I don't think I'll ever be able to thank you enough for all you've done for me, but, today and always, please know how truly grateful I am. Baby Ra
