“ I met this dear lady when I was in high school. The FFA had to swap with the FHA for a few weeks; she taught us hard-headed guys how to set a table. I always remembered that. She was a lovely lady and the last time I seen her, she gave me a hug. My prayers are with the family.

“ I am so very sorry to hear of the passing of Mrs. Casanova. She was truly an inspiration to all of mankind. Although it has been many years since I have talked to her, I often think about her, especially when I try to sew something, which I am not good at doing. She was a wonderful teacher and person. May God be with you and your families during this saddened time. God Bless.
