“ Uncle Pete, Cliff, Rino, Brenda, Carol, Tony, Vera, Jay, Vinny, Jason and Nicole: You all know how much I loved Aunt Ruby. She was always there for me whenever I needed someone to talk to. She helped me make some major decisions in my life and for that I will always be grateful. She gave me such emotional support when I first found out about Brenden having cancer. She was always there with a smile, a laugh and a hug. I will miss her so much. I am sorry I couldn't be there to say a final goodbye, but knowing she will always be at the farm, makes it seem that I will never have to say goodbye. I love you all.
