SADIE MAE WILKES,

The nearly 4 month old daughter of Katie Slocum and Travis Wilkes of Mt. Hermon passed away Monday November 21, 2016 at Riverside Medical Center. She was born July 26, 2016 at Lakeview Medical Center. Sadie had a beautiful smile that would light up the room. She enjoyed sitting on her Paw Paw Poley's lap. Though our Sweet Baby Girl was only here for a short time, Sadie gave us memories to cherish for a lifetime. Sadie will be forever missed because even though she was so young she was so full of life.

“ *I will never forget Sadie's bright smile and adorable giggleso, or how she would light up a room and your heart.*

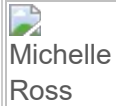

I will miss not having her site on Papa's lap like a car seat and just smile and giggle at me.

God may have only blessed us with her presence for a short time, but she made a giant impact on the world.

I know that this little angel is safe with Jesus and must have been very special for him to call her back home so quickly.

So sorry for your loss. Please know that we're praying for all the families involved. May god wrap his arms of comfort around you all right now.

Remember this bible verse. It had brought so much comfort to my family.

2 Corinthians 5:8

To be absent from the body is to be present with our Lotd, Jesus Christ!!!!

What a blessed thought.
