“ I have known Shane since I was probably 13 years old. He was like part of our family. He always has a smile on his face. I remember when he got in his bad wreck my mom made him brownies and we took them to his house. He never got over that because people weren't always nice to him. He was a precious sweet person. I'm so glad Tammy and her family come into his life. He finally has a family of his own. It always made me smile when I saw pics of them all together and he looked happy. I will miss him and I'm glad I got know him and he became a part of our lives.
