“ Shannon was one of the most caring and loyal friends I have met in my life. Although I hadn't known her as long as some, she touched my life. She loved life, her family, friends and especially our soldiers fighting for our freedom. She was a wonderful mother, great friend. She will be missed...I will keep your family in my thoughts and prayers. R.I.P. my dear Shannon, I love you...always....take care of her Bear...

“ My prayers are with you during this difficult time. I am still in shock. Shannon was such a funny, wonderful & supportive person to be around. I am saddened by her being carried away on angel's wings but know she will be in a beautiful, painless world. She was a special person that touched my heart. You have my deepest sympathy & may you find strength in remembering all the great memories she brought into all of our lives. God Bless.
