“ I'm Sharon's first cousin, Louise Booty, and my daughters (Barbara, Geri, Gail, Linda and Janie) and I offer our sympathy to her family. We knew she had many health problems and life was getting weary for her in the last few years of her life and believe that she has now found peace. We have many fond memories of Sharon from her younger years. We remember her for her sense of humor, sarcasm and as an amazing story teller. She will be missed. We are sorry we could not be there to express our sympathies in person.
