“ I remember all the fun stuff we did as kids....you were my bud for sure....you thought me all the boy fun stuff that I though was so cool. I always remember the time you showed me how to shoot darts.....oh boy do I remember! You remember throwing one across the room and it sticking into my arm? Well I SURE DO MISTER!!!! As it sat there dangling from my arm, I recall you dropping your first curse word in front of me....OOPS! HAHAHA....as we both looked at it wondering the best course of action was....I remember you distracting me....saying oh crap moms coming...and you yanked it out of my arm! OH MY GOD!!!! Yes I punched you, but I thank you after! Haha still have the scar today in that arm. Thanks for leaving with a forever memory of you! You will be forever in my heart and you will be missed but never forgotten my friend!

“ Shawn is loved by many because he was a true friend and true to himself. I am so blessed to have had this 'crazy kid', amazing young man, and wonderful adult in my life. I will always remember his smile, that soft chuckle when he was he was tickled and the love my son from another mother showed in his gentle bear hugs. Rest well my boy, your work here on earth is done. You will be missed so much, yet often in my thoughts and ALWAYS in my heart. I love you to the moon and back. Mama Peg
