“ Oh my, where do I start, which wonderful memory of precious Sherry do I share? Little League baseball, Passing out cold water & other volunteer work for the Fair, hours & hours of sometimes slow & uneventful seemingly endless afternoons & sometimes very stressful, chaotic days at the Sheriff's office, her church work, her daily-lived testimony, as SO many others have said,, Sherry's gentle, kind, calming ever present smile...how she SO, SO loved her family, & how she, all 5 feet nothing of her, fought so fiercely, the awful cancer that did not defeat her will & sense of hope, causing those of us who were blessed to know her to feel inspired & strengthened to stare down our own demons. To Ted, God bless & comfort you, as you walked every step of her journey. I love how she, in her Facebook updates always said "WE" are headed to Mary Perkins, etc. Praying for you all.
