“ Sorry my son's for the loss of your father but he's in a better place no more suffering and no more pain. If I ever new anything about him it would be the love that he had for his children and his grandchildren. Rest in peace Sid in that big heaven above.

“ Just thinking about all of the times that we would fish all day so that him and Stanley and Donald could bait their hooks. And many of days just riding and lookilooking for a good place to deer hunt. I'm so sorry for your loss Donald and Stanley he was a great friend/ dad he's going to be missed by many.
