“ *Sonny, you were always a kind soul. I never heard anything mean or negative come from you. There were many times you would give your last just to make sure someone else didn't do without. You were and still are special to a lot of people. Your time on this earth has passed and to some its a sad event but you don't have to suffer anymore or have to endure the evil this life has to offer. I know we all will see you again, better than ever smiling cracking jokes. you are so missed already and we all will continue to miss you dearly.*

*To the Family: 1. Matthew 11:28-30
