“ I'm going to miss you brother. We lived together on Louisiana Lady, we were bunk mates and each other's reliefs. We had many laughs and a lot of moments together on that boat. We started our career not long after one another. I can't believe you're gone.

To Spencer's family; I'm so sorry for your loss he was a great and humble human being.

“ Spencer was a fine young man. I had the pleasure of teaching him a computer class at Bowling Green when he was in the 9th grade. We, my husband and I, also enjoyed watching him play basketball. He was just a joy to know. Our thoughts and prayers are with Phil, Becky and the family.

“ My heart is broken for this family! Spencer was my daughter's first little boyfriend when they started kindergarten together...they were Mary and Joseph in the school Christmas play and the most precious little couple you've ever seen. After the puppy love passed and they moved to separate schools, they remained good friends thru the years. He was always larger than life and you couldn't help but love him❤️ Spencer will be missed by so many, for so many reasons. But I remember when he accepted Christ and the comfort of knowing we will see him again is worth more than gold. Praying for peace and comfort for The Graves Family and everyone who are grieving the loss of this wonderful young man. 🙏
