“ So sorry to hear the news that Susan had died. I had not seen her in a long time. She was a great teacher I am sure and she loved my Erin as i passed her classroom door every morning taking her to her Sp ed class. Always when i saw her she asked how 'her' girl was. Will be praying for her family.

“ *Loved your mom. She has been a part of my life for a long time. She taught me swimming and diving as a child and hosted memorable tea parties when we all had kids. Reagan always looked forward to them. Later in life, she kept us laughing in the Wellness Program at Riverside. She lived life to the fullest and will be missed by many. You and Trey are in our thoughts and prayers!*
