“ Brian and the children,

I want you to know how special Susan was to me and to my late husband Kenneth (Ken)

Pepper. He like you Brian, but always said the nicest things about Susan. The times that I visited with her she was always very caring and sweet to me. I am sorry to say that the last time I saw both of you was at Kenneth (Kenny) Pepper wake coming up on 6 years . She was A very beautiful person INSIDE AND OUT. I am so sorry that her life was cut short and that the things you both had planned to do will not come as planned. Brain you will learn to keep her memory alive thru your children and grandchildren. Some days it will thru a flower that she loved. Please know that she was thought of as a hard-worked, a loving mother and a wife that loved you Brian Hennick. You are in our prayers and our thought in the days, weeks, months and years ahead. There will be days that time has went on, but to you Brian it will seem that she just was taken 15 minutes ago when she was taken. Her love will never leave you and yours for her.

To the children please know that your mother would always talk about you each and everyone and she loved you.
