“ Everyone that Sue knew treated each of them special. To some she was a insperation, a hero, the driving force to make one succeed. To me for 38 years of married life to her has been a special time in my life but in truth 46 years of my 60 years I have known her (she was 14 when we met). I know we will be together again with the Lord. God bless everyone who gsave respects to my wife, my love, my friend.

“ I am so sorry to hear of Mrs. Susan passing. When she first came to Franklinton, she came by the shop to get Rising some uniforms. I am so sorry for your loss she was a very loving and caring lady and took good care of Rising. I told her if she was not sure of some place to find something just stop and ask. Someone would help her this was a great place to live.
