“ I just found out today that you passed away. I didn't know you were sick or anything and I'm so sorry I wasn't there! If I wouldve known I wouldve been there. You were always good to me and a very hard worker. We had so much fun working together at Bigs. You always made sure people got what they wanted and you never stopped being so sweet and nice. You were and always will be a beautiful soul! Rest easy girl! Jessica I loved your mama and she loved you and those boys so much..always know that. Your mama was one of the greatest people I've ever known. She talked about you and those boys every time we worked together. I'm so sorry to hear this. I'm praying for y'all hun.
