I'm so sorry to hear about Sue. She was such a sweet lady and tons of fun to be around. I'll never forget her reaching out to me when Justin was injured. That meant so much to me. Cherish your memories. She will be missed.

Love y'all!

We wish to express our sincere condolences to the family of Ms. Sue. Shortly after we moved across the highway we were welcomed to the neighborhood by Ms. Sue and Mr. Holyne. It was always a pleasure to see them drive over on their treasured golf cart. They bought us a Bradford pear tree, which we planted in our backyard. When we lost our son, Ms. Sue was there with a wonderful hug that spoke more than words. Billy would share stories and drink coffee with Ms. Sue on occasion after I'd head off to work. He'll miss that and I will miss the waves in the morning and afternoons. God speed, Ms. Sue.
