“ Tammie even though I haven't seen her in years. Was never told she had cancer. I remember the night I think really started off tammie and lee on the road the traveled. Tammie lee and myself was riding around . We stopped at the shell in franklinton so Tammie could use the bathroom. Then lee in the back ask me if I had a hold on her I said no. Then he started seeing her but back then if I had said yes lee was maybe still is a man of integrity and he woulda walked away. I guess they had 2 kids. So that was a blessing.

“ Tammy was my cousin. I have so many memories of us playing together as kids. I married and moved away after high school. Hadn't seen her in years. Ran into her at Mains Market in Franklinton a few months back. Then saw her several times at the auction. Still the same sweet cousin I remembered. So sad about her passing. Rest in peace sweet Tammy. Love you.
