“ I am thankful that the Lord allowed me to have known this special lady. She could do anything. She loved art and one’s ability to make things beautiful. She was one of “the beautiful ones.”
Tanda- the perfect hostess, the sweetest soul- always ready to lend a hand or extend a hug. My heart goes out to her loved ones - yet I know in Heaven she is made perfect. Thank you Rickey for your boundless love. She would have done the same for you. I treasure the gift of her friendship and the many heartfelt memories we shared about life. To know her was to love her. 💕

“ Tanda was one of those special people who always had a beautiful smile and lifted the spirit of whoever she encountered. I would run into her in the grocery store every year or so whenever I was home, and she always was sincerely interested in how I was doing and what was happening in my life. I was so glad I got to see her at our 50th Class Reunion in 2023. God gave her a tender heart for others, and she demonstrated that in her love for others. So sorry to hear of her passing but rejoice that she is no longer in pain and is forever with her Lord in heaven. ❤️

“ My dear friend Tanda was a fierce warrior against cancer. She was beautiful inside and out. She always looked like she walked straight out of a boutique. She loved God, her friends and Rickey Magee. Words can never describe her beautiful spirit. I will miss you my friend. You were one of the “Real Housewives of Franklinton” a group of prayer warriors with a great sense of humor and a zest for life. Rest well and enjoy worshipping our Lord. Until we meet again at the feet of Jesus...

“ Tanda was a dear sweet friend of ours during trips to Orange Beach. We loved spending time playing card games, boating & dinners together with Tanda & Rickey. What a loss for family & friends! It saddens us to know that she endured pain. Tanda was amazing & very special. She will be severely missed!

Worked with Tanda for many years at Magee Financial. She was a great co worker and friend. She loved her family as well as her work family. One of the best sense of humors. She made the best chocolate pies you would ever want to eat. She gave me her recipe but mine never turned out like hers. She will be missed.
