“ Teresa was the first person I worked with at Mt Hermon and continued to work together in Franklinton for years. She was a dear and precious friend. It breaks my heart for her family whom she loved dearly and for all her friends may God provide strength and comfort.

“ I have known Teresa all of my life as our mother's were dear friends. She was a good mentor when I started teaching and we had many lively conversations about LSU football! She was brilliant and down to earth. Rest well my friend.

“ Teresa was a dear friend. We haven't spent time together in a very long time. I met her at SLU and she was responsible for getting me my first teaching job. I was in her wedding and became great friends with her family. We had many fun times together and I will always keep those memories close to my heart. I love you Teresa and may you Rest In Peace. ❤️ ☐

“ Teresa was my friend for as long as I can remember. Our friendship started at Franklinton Elementary, then Franklinton High School, and we roomed together at SLU. We were in each other's weddings. Many fairs we would park in her yard and catch up on each other's lives. I am going to miss her but smile when I remember some of our fun times together.
