“ I was in total shock upon hearing the news of Terry passing away. He was definitely a friend of mine and he will be missed so much. The only thing that gives me any peace at all is knowing that he's in Heaven with my sister Dawny. I can definitely see them together, patiently waiting to be reunited with the rest of us who are missing them both so very much.
And to Terry's parents, I'm so sorry and cannot imagine what you are going through. I'm keeping you all in my prayers. May He give you the strength you need until your called upon. ~ Star Locke
