“ So sad to here of Mr Tom passing. He was very special to me, once you broke thru that hard exterior he had a heart of gold. I know he is happy to be reunited with his old dog he loved and missed.

“ My condolences to Tom's family. Barbara Sue described him as a 'gentle giant' beyond his tough exterior. Any female who was connected with the band in high school knew that Tom was indeed, a gentle giant. He was very protective of the majorettes, in particular. No one messed with us when Tom was anywhere near. I remember him as a happy, caring individual who enjoyed life. He will be missed, even by those who didn't see him often throughout the years. May God bless his family and friends, and may he rest in sweet peace.
