“ Yes, I know this is an old entry, but a son never forgets people he loves. I can't help but to draw parallels between dad's life and mine. He was 30 years older than I, and when I look at my daughter, and my granddaughter, I think of where dad was when I was at that younger stage of my life.

I've seen so many changes and events over the years since dad's passing. Several loved ones who have gone on to be with our Heavenly Father. I will never forget the great times you and I had on the golf course, or the occasional steak house. I really wish you could have known your Great Granddaughter Breland(Boy she has your forever smile!). Till we meet again Daddy.

“ I spent many Saturdays as a kid sitting and listening to my Dad, Bruce Bateman, and Mr. Tommy swapping tall tales over at the Gas station next to Dinky' Knights old office. I genuinely loved Mr. Tommy, every time I saw him he had a big smile and even bigger hug for me. He was a fine man and will be greatly missed.

I always admired Tommy and his smile and cheerfulness whether at the gas station or driving the bus. He seemed to truly enjoy his work and the people he encountered. He was a model for all of us and the attitude we should carry to work each day. May God comfort you in this time of loss. Faith

“ My heart broke when I received the news that Tommy had passed away. What a terrible loss, not only for his family and friends, but for the entire community. Tommy will always remain in my memory as a giant of a man with a loving, gentle spirit. Losing Tommy in this world is a great loss but such a wonderful addition to Heaven. May God generously bless his wonderful family with the peace and understanding they truly need at this time.

“ What can one say? Tommy was one of a kind. Such a gentle spirit in that huge body. Teaching algebra to Tommy and that group of classmates he had could prepare one for life. You just never knew what to expect. Rest in peace my dear friend. Mr. Finley

“ I had visited the service station during the Fair and had a wonderful chat with Tommy. It seemed as though whenever I would go home for a visit, I'd have something to check out on either my vehicle or another's, and Tommy would be the one to answer all my questions. He and I would just chat and chat, if he wasn't busy; I always loved visiting with him ... he was always smiling and so uplifting! I swear if there had been a swing there, he and I would have swung and talked for the entire afternoon!!!! I know he will be missed. May all the wonderful memories you have of him envelope you in love. In sympathy ...
