“ So sorry to hear about Trey. Thanks you so much for letting us know. You should be so proud of all that you did for our "little" patient. No regrets. I was very fortunate to have met him and that you had so much trust in me to take care of your boy. As a parent I know that you had some very difficult decisions to make. He was a special kid that touched so many. It was a such a joy so see how proud he was of his firemans hat and gear. You have some very special people in your town that make getting through these hard time that much more possible. With prayers of Peace and Love to your whole family, Dr. Bill

“ My very deepest sympathy for this family. I cannot even begin to fathom the pain a parent or grandparent has at a time like this. But we all know God is in control and Trey has accomplished what God had for him to do on this earth. Now he is in the presence of our Lord. WOW!!! what an experience he is having now... The time of his life for sure.
