“ *Brenda, this is Tommy Vise. I just saw that Troy passed when I was looking at the obituaries online, and was so saddened. I am so very sorry. I love you and Troy and enjoyed so much visiting with y'all at the ball games, Sonic & repairing your windshield chips. I have been out of town for over a month and totally missed the news. I would have definitely attended the funeral if I had known. Please let me know if there is anything I can help you with. My number is still 985-718-2354. May God's blessings of grace, love and peace be upon you Brenda 🙏*
