“ I had the pleasure of working with Ms. Velma at Kountry Kitchen fish house and getting to know her over 35 years ago. Went to school with her sweet daughter Eva and knew many of her siblings. Sending my thoughts and prayers to this precious family with a broken heart for the loss of such a wonderful lady.

“ I only knew Ms. Velma for a few years, but in that time I felt I met an angel on earth. My daughter, who was particular about people she didn't know, took to her immediately. That's when I knew she had a pure soul! Rest in heaven, and prayers to the family ❤️

“ I remember being at Mrs. Velma's house as a kid. I always played with the chickens. I took a liking to one of her roosters. I named him Big Red. She let me take him home with me. She made my day! Such a sweet and giving lady.
