“ I am so sorry to hear about Ms Verdell. I have known her my whole life. She has always been the sweetest most humblest person. A true treasure in such a sour world. Look to the Lord for guidance. He will help you through. I am going to miss her on that back bench at church with that beautiful smile she always gave Caydon, Brenlynn & me as we walked by. Our prayers are with all y'all.

“ We were best friends in High School at Pine and I will always remember her sweet smile and kind heart . She was always the quiet one while I was always the talker ! Total opposites as far as personalities but very close and dear friends. She married Doug Ingram when she was quite young and we lost touch due to raising families and busy lives but I always loved her and she me ! I will forever be grateful for the day she and Charles came to mine and Charles (my husband) home shortly before he passed away and Charles was able to lend his help assisting me and Shonna (my daughter) getting Charles in bed . He was so confused at the time and we were having a difficult time to say the least . They were a godsend and such a great blessing to us that day. This was a better community for having had Verdell here and she will always have a place in my heart! Till we meet again in our heavenly home . Your dear friend , Renee Ladner
