“ When this time of life comes, we search our memories for the times we spent with the lost loved one. I know she had a full life, but she will be missed. The Garden Club will be minus a long time member that had knowledge of things we have yet to learn. May God keep you in His loving embrace...

“ Bobbie, I am so sorry about your Mother. I know she was a big part of the family and will be missed by all. Mrs. Vera was one of my favorite people when I had to work at Mile Branch. She always shared great stories about Franklinton. I wish I could be there but I have to work and will be in Slidell and Chalmatte tomorrow. Love to you and the family. Andrea Richardson
