“ Catherine and Nancy, I know this is very hard for you. I know you and all of the grandkids will miss her very much. She was a very special person. All of the years that I worked for your dad, she was always there, ready to help if any of us needed it. She will be greatly missed. Love you all.

“ Mike & I wanted to send our deepest sympathies to you. Loosing a parent is really hard to go thru & we just wanted you to know that if theres ANYTHING we can do we are here day or night. Im totally serious about that to. I was sitting out on the back porch earlier today and was feeling so bad for you but then I started thinking about what good friends Ms Wanda & Ms Olean were and I couldnt help but smile & think about them 2 showing out just a little bit even though they were in heaven. Lol :)

We love you sweetheart.

*Worked with Wanda many years at RMC. She always seemed to be such a happy person and was so proud of her children. I always looked forward to her stopping by the business office after she finished in surgery. Those were happy days. She will be missed.*
