“ I am so sorry to find out about Bill. He was my first boss when I went to work at Crown Zellerbach,, Southern Timber (old building), just getting out of PRC at 17-18 years old. He always called me "kid". He said I reminded me of his kid Rhonda. He was a good man and Christian. I would usually get a phone call when he knew one of our people (work with people), that had died. We used to laugh that there would be no people to call us when either of us died and I guess that's what happened because I just found out looking through the obituaries. I'm feeling like I've lost my long, long time friend. Will be praying for all you family members because I know what loosing friends and family feels like. Peggy T. King
