“ *Bill,
We will miss you, I enjoyed our time sharing hunting stories, talking about and enjoying our mutual hobbies that one year I was living in Mandeville. Thanks for being so friendly.
I wish to extend my deepest condolences to all family members, Bill was a very nice guy that I had not seen since moving away from Mandeville in 1992, although we did speak by telephone a few years ago and he was happy to hear from me and hoped to visit again someday.
May God bless his soul and all those who loved him.*

“ Dear Peggy and family. Although I don't often see any of you, I do think of you frequently and am so sorry to hear about Billy. I won't be coming to the funeral today, but maybe we can get together to visit some time in the future in a central location. Will is back in town going to law school and actually went to Michael Harold's house last night for a campaign event. Frank and I are still living in New Orleans but have repaired our Mandeville home post-Katrina and are spending more time over there. Once again, I'm so sorry for your loss and hope we can get together in the future. Love,
Margaret

“ Bill was one of the friendliest people we knew. On his visits to our office he always had a joke or two for us. He would leave and then call us from the parking lot with another joke. His sense of humor will be greatly missed.
