“ William was quite a guy, and was my classmate for several years in junior high school and high school. He also served along side me in the Franklinton unit of Louisiana National Guard. He was a good mechanic and I like him very much. I am saddened to learn of his passing, but have fond hopes of his eternal salvation in the Lord. I will be out of town the remainder of this week, so I will be unable to attend his services. Please know that William (Possum) was liked by many and will be missed. May God bless all of you who survive him.
