“ Dear Mr. Kenneth, You don't know me, but your mother knew my mother. Allen was my uncle for nearly half my life. I don't even know if you will ever read this but I have just found out that he and your mother have passed away, I am so sorry. As for the knowing of our mothers, Uncle Allen and Willie Mae come to see mama and her late husband George in Andalusia in the 1980;s. That has been a long time not to have heard from them again. My Dad's sister was once married to Allen{still call him uncle} Olean was her name. We also lost contact with her before her death and only my dad and uncle went to her furnear,very sad times. Is there any way that you might know my aunts last name that she went by? I don't know what she died of and it would help to know these things since she wasn't brought home for burial in Alabama. I know this is a lot to ask of you but I just found out I could reach out to you by computer.My e-mail " mrs2759@hotmail.com if you get this and could answer some of my questions. Thank you, Marie Banks
