“ Our hearts will always have a hole in them from where "Pappy's" love and warmth filled. But with time we'll get through this and with lots of loving memories our hearts will begin to heal. I hope that your entire family knows what "Pappy" truly ment to me. Thank you for sharing him with me. Thank you for everything. Brandy Bickham

When Wayne first got out of the Korean War, I worked at the Health Unit with Woodson. I have lots of memories of school days with Nelda, Joy, Johnny and C. F. Please know that you are all in our prayers. Again, I am so sorry we were out of town. Would have loved to expressed our sympathy in person. We will all miss your Dad.
