“ I am so sorry to hear of the loss of your mother. I enjoyed the years we worked together at Riverside. We shared many laughs together. She was so proud of her family. I will be praying for the entire family during this difficult time.

“ Wynette and I were friends since childhood. She will always be part of my happy memories and I still loved her. Praying God will give her family comfort during this difficult time

“ Your MOTHER was indeed a very caring person. Just thinking about when my Dad was hospitalized and how much I was going through with him she would put her arm around my shoulder and whisper “ This to shall pass and I will be praying for your family “ I always appreciated knowing that she understood and cared so much So now it is my turn not to this to shall pass but to let each of you know that I am praying that GOD will give you the strength and guidance needed to comfort You.
